Notice of the 2018 Annual General Meeting and Chairman's explanatory letter

12 April 2018

Dear Shareholder,

2018 Annual General Meeting

I enclose details of our thirty-sixth Annual General Meeting ('AGM'), which is to be held at the Company's offices at 75 Bermondsey Street, London SE1 3XF on Friday 22 June 2018 at 3.30 p.m. Our offices are very close to London Bridge rail and underground stations (Northern and Jubilee lines). I hope you will be able to join us, as it is a valuable opportunity for the Directors of the Company to meet shareholders.

Formal notice of the AGM, containing the resolutions to be considered at the AGM, is set out on pages 3 and 4 of this document ('Notice of AGM'), and this letter explains the resolutions more fully.

Resolutions 1 to 9 are ordinary resolutions requiring the approval of a simple majority of shareholders present in person or by proxy and voting at the AGM. Resolutions 10, 11 and 12 are special resolutions requiring the approval of 75% of shareholders present in person or by proxy and voting at the AGM.

Action to be taken

Last year, the Company informed its shareholders, that from 2018 onwards the Company would no longer be producing hard copy proxy forms. In order to submit votes electronically, please use the electronic proxy appointment service offered by the Company's Registrars, Link Asset Services, at www.signalshares.com. This represents a faster and more secure method of voting. Note that votes submitted via this service must be received by 3:30 pm on 20 June 2018, being 48 hours prior to the time of the AGM. Alternatively, request a paper copy proxy form by contacting Link Asset Services on 0871 664 0300, calls cost 12p per minute plus your phone company's access charge. From overseas call +44 (0) 371 664 0300. Calls outside the United Kingdom will be charged at the applicable international rate. We are open between 9.00 a.m. – 5.30 p.m. Monday to Friday excluding public holidays in England and Wales. Completion of the form of proxy (submitted electronically or returned via post if a hard copy form is requested from Link Asset Services) will not preclude you from attending and voting at the AGM in person should you wish to do so.

Recommendation

The Directors believe that all of the proposals set out in the Notice of AGM are in the best interests of the Company and its shareholders as a whole. Accordingly, the Directors unanimously recommend shareholders to vote in favour of the resolutions to be proposed at the AGM, as they intend to do so in respect of their own beneficial holdings. These in aggregate amount to 5,420,369 shares, representing approximately 6.93% of the issued Ordinary Share capital in the Company as at 11 April 2018, the last practicable date prior to the publication of this document.

I look forward to seeing you at the AGM.

Yours faithfully,

Richard Eyre CBE
Chairman

Ordinary resolutions

1. Annual Report and Accounts

The business of the AGM will begin with a resolution to receive the Annual Report and Accounts for the year ended 31 January 2018 which include the Directors' Report and the Auditors' Report which will be available on our website at www.next15.com from 13 April 2018.

2. Directors' Remuneration Report

Shareholders are asked to approve the Directors' Remuneration Report for the year ended 31 January 2018, which is set out on pages 31 to 38 of the Annual Report and Accounts. This resolution is advisory in nature.

3. FY18 Final dividend

This resolution seeks shareholder approval of the final dividend recommended by the Directors of 4.5p per Ordinary 2.5p Share. If approved, the proposed final FY18 dividend timetable will be:

Ex-dividend date:	28 June 2018
Record date:	29 June 2018
Payment date:	3 August 2018

4. to 6. Retirement and re-election of Directors

The Company's Articles of Association provide that a Director appointed by the Board shall retire and offer themselves for re-election at the first AGM following their appointment and that, at each AGM of the Company, one-third of the Directors, in addition to any new appointment during the year, must retire by rotation. At the forthcoming AGM, Penny Ladkin-Brand, having been appointed since the last AGM, will stand for election and Tim Dyson, along with Genevieve Shore will retire and, being eligible, will offer themselves for re-election by the shareholders of the Company.

The Board was delighted to welcome Penny Ladkin-Brand to the Company during the year, who brings with her extensive digital media experience, complementing the existing skills and expertise of the Board. The Board is further satisfied that the contributions of both Tim Dyson and Genevieve Shore continue to be effective and demonstrate sufficient time commitment to their respective roles. The Board also believes that each Director standing for election and re-election is independent in character and judgement. The Board therefore recommends that the Company and its shareholders support the election and re-election of each of the Directors named above.

Biographical details of each Director standing for election and re-election, can be found on pages 22 and 23 of the Annual Report.

7. and 8. Reappointment of auditor and authority to set their remuneration

At each general meeting where the Annual Report and Accounts for the year ended 31 January 2018 are put to shareholders for approval, the Company is required to appoint an auditor to hold office until the conclusion of the next AGM and to seek authority from shareholders for the Board to set their remuneration. The Audit Committee has conducted a review of the auditor's effectiveness and independence, including non-audit services provided during the year and has recommended to the Board that Deloitte LLP be re-appointed as the Company's auditor. Deloitte LLP have also expressed their willingness to continue in their role as auditor. Resolution 8 seeks to authorise the Board to determine the auditor's remuneration.

9. Authority to allot shares

This resolution is to provide for the Directors to continue to have the authority to allot shares and grant rights to subscribe for, or convert any security into, shares. This resolution, if passed, authorises the Directors to allot shares in the capital of the Company up to an aggregate nominal amount of £651,359 (being equal to approximately one-third of the issued Ordinary Share capital of the Company as at 11 April 2018, the last practicable date prior to the publication of this document). This limit is in line with the guidelines issued by the Investment Association ('IA').

The resolution also seeks authority for the Directors to allot shares in the capital of the Company in connection with a pre-emptive offer by way of a rights issue to ordinary shareholders up to an aggregate nominal amount of £1,302,718 (being equal to approximately two-thirds of the issued Ordinary Share capital of the Company as at 11 April 2018). The guidance issued by the IA recommends that, if this additional authority is used and the amount raised in any rights issue is more than one-third of the Company's pre-issue market capitalisation, all Directors wishing to remain in office should stand for re-election at the next AGM of the Company, and the Board intends to follow this guidance.

The Directors have no present intention of exercising these authorities to allot shares and grant rights to subscribe for, or convert any security into, shares, except in connection with the Company's employee share schemes or as part of deferred considerations for recent acquisitions made by the Group. If granted, the authorities will expire at the conclusion of the Company's next AGM, or, if earlier, on 21 September 2019.

Special resolutions**10. and 11. Disapplication of pre-emption rights**

These resolutions are to renew the Directors' power to allot equity securities up to a maximum aggregate nominal value of £195,407 (representing approximately 10% of the issued Ordinary Share capital of the Company as at 11 April 2018, being the last practicable date prior to the publication of this document) for cash without first having to offer them to shareholders in proportion to their existing holdings. In addition, in accordance with normal practice, the resolution will enable Directors to allot shares for cash in connection with a rights issue or open offer and, in particular, to deal with overseas shareholders and fractional entitlements as they think fit.

These resolutions are seeking authority consistent with the relevant guidance issued by the Pre-Emption Group (a group representing listed companies, investors and intermediaries), which allows for the annual disapplication of pre-emption rights to include: (i) 5% of issued share capital to be issued on an unrestricted basis; and (ii) an additional 5% of issued Ordinary Share capital to be used for 'an additional or specified capital investment'. The Board is seeking this authority to give it more flexibility to fund small acquisitions. The limit sought is consistent with the practice adopted by other media companies of a similar size listed on AIM.

If granted, the power will expire at the conclusion of the Company's next AGM or, if earlier, on 21 September 2019.

12. Authorisation for the Company to purchase its own shares

It is proposed that, in common with many quoted companies, the Company be given authority to make market purchases of its own shares. This authority will be limited to a maximum of 7,816,312 shares, representing approximately 10% of the issued Ordinary Share capital of the Company as at 11 April 2018.

The Board will continue to monitor carefully the capital requirements of the Company and, although at present there are no plans to buy back shares, it may consider it prudent to act at short notice if circumstances warrant. The Board will, however, make use of this authority only when satisfied that it would be in the best interests of the Company and its shareholders as a whole and where the expected result of such purchase would be an increase in expected earnings per share. The Directors each confirm that they are not conflicted in their recommendation of the authority.

If granted, the authority will expire at the conclusion of the Company's next AGM or on 21 September 2019, whichever is the earlier. The maximum price (exclusive of expenses) per Ordinary Share which can be paid on any occasion is limited to 105% of the average of the middle-market quotations, as derived from the London Stock Exchange's Daily Official List for the five business days prior to the date on which the purchase is made.

Ordinary shares purchased by the Company pursuant to this authority may be held in treasury, and may then be cancelled, either immediately or at some point in the future, re-sold for cash or transferred in connection with the Company's employee share plans. The Board will only hold shares purchased pursuant to this authority where it believes this course to be in the best interests of the Company and its shareholders as a whole.

1. Electronic voting

Last year, the Company informed its shareholders that from 2018 onwards, in order to further reduce the impact on the environment, shareholders should use the electronic proxy appointment service offered by the Company's Registrars, Link Asset Services, at www.signalshares.com in order to submit their votes. This represents a faster and more secure method of voting. All such votes must be received by 3:30 pm on 20 June 2018, being 48 hours prior to the time of the AGM. Although the Company will no longer be producing hard copy proxy forms, a paper copy may be requested by contacting Link Asset Services on 0871 664 0300, from the UK, calls cost 12p per minute plus your phone company's access charge. From overseas call +44 (0) 371 664 0300. Calls outside the United Kingdom will be charged at the applicable international rate. We are open between 9.00 a.m. – 5.30 p.m., Monday to Friday excluding public holidays in England and Wales.

2. Attendance and voting of proxies

A member entitled to attend and vote at the Annual General Meeting (the 'Meeting') is also entitled to appoint a proxy or proxies to attend, speak and vote in their stead. A member may appoint more than one proxy in relation to the Meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that member. A proxy need not be a member of the Company. Appointment of a proxy will not preclude a member from attending and voting in person at the Meeting.

If submitting forms of proxy, (together with any power of attorney or other authority, if any, under which they are signed or notarially certified or in some other way approved by the Board), these must be lodged by hand or courier only with the Company's registrars, Link Asset Services, The Registry, 34 Beckenham Road, Beckenham BR3 4TU, not less than 48 hours before the Meeting (or any adjourned meeting) (Saturdays, Sundays and public holidays excluded). Completion of your form of proxy (submitted electronically or returned via post if a hard copy form is requested from Link Asset Services) will not preclude you from attending and voting at the Meeting in person should you wish to do so.

In the case of joint holders, the vote of the senior holder who tenders a vote shall be accepted to the exclusion of the votes of the other joint holders. Seniority shall be determined by the order in which the names of the holders stand in the Register of Members in respect of the joint holding.

To be entitled to attend and vote at the Meeting (and for the purpose of the determination by the Company of the votes they may cast), members must be registered in the Register of Members of the Company at the close of business on 20 June 2018 (or, in the event of any adjournment, at the close of business on the date which is two days before the time of the adjourned meeting). Changes to entries on the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the Meeting.

3. Documents on Display

Copies of the service contracts under which the Directors of the Company are employed by the Company or any of its subsidiaries (or a memorandum of the terms of such service contracts) and copies of the letters of appointment of the non-executive Directors of the Company will be available for inspection at the registered office of the Company during normal business hours on any weekday (public holidays excepted) from the date of this Notice of AGM until the date of the Meeting and will also be available for inspection at the place of the Meeting for at least 15 minutes prior to such Meeting until its conclusion.

4. Issued Share Capital

As at the close of business on 11 April 2018, the Company's issued share capital comprised 78,163,128 Ordinary Shares of 2.5p each. Each Ordinary Share carries the right to one vote at a general meeting of the Company and, therefore, the total number of voting rights in the Company as at the close of business on 11 April 2018 is 78,163,128.

5. CREST Proxy Instructions

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Meeting and any adjournment(s) of the Meeting by using the procedures described in the CREST Manual. CREST personal members or other CREST-sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with CRESTCo's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the Company's agent (ID RA10) by the latest time(s) for receipt of proxy appointments specified in the Notice of AGM. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that CRESTCo does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions.

It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The CREST Manual can be reviewed at www.euroclear.com/CREST.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

6. Corporate Representatives

A shareholder which is a corporation may authorise one or more persons to act as its representative(s) at the meeting. Each such representative may exercise (on behalf of the corporation) the same powers as the corporation could exercise if it were an individual shareholder, provided that (where there is more than one representative and the vote is otherwise than on a show of hands) they do not do so in relation to the same shares.

7. Questions

Any shareholder, proxy or corporate representative attending the meeting on behalf of a shareholder, has the right to ask questions. The Company must cause to be answered any such questions relating to the business being dealt with at the meeting but no such answer need be given if a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information b) the answer has already been given on the website in the form of answer to a question, or c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

8. Nominated Persons

Any person to whom this notice is sent who is a person nominated under S146 of the Companies Act 2006 to enjoy information rights (a 'Nominated Person') may, under an agreement between him/her and the member by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the meeting. If a nominated person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the member as to the exercise of voting rights.

The statement of the rights of members in relation to the appointment of proxies in Note 5 above, do not apply to Nominated Person. The rights described in these paragraphs can only be exercised by the members of the Company.

9. Communications

You may not use any electronic address provided either in this notice or any related documents to communicate with the company for any purposes other than those expressly stated.
